

QVirtualDestructor

```
classDiagram
    class QVirtualDestructor
    class QAutoDeleter_T["QAutoDeleter<T>"]
    QAutoDeleter_T --|> QVirtualDestructor
```

The diagram illustrates a class hierarchy. At the top is a box labeled 'QVirtualDestructor'. Below it, a horizontal line connects two boxes, both labeled 'QAutoDeleter< T >'. A vertical line descends from the center of this horizontal line, ending in an upward-pointing arrowhead that points to the bottom center of the 'QVirtualDestructor' box. This indicates that both 'QAutoDeleter< T >' classes inherit from 'QVirtualDestructor'.

QAutoDeleter< T >
